Bilateral Meetings

- Thursday 09:30 - 15:30

Description

The Vistra Group, one of the top 4 global trust, fund and corporate service providers, operates out of 75 global offices across 45 jurisdictions. Their expertise centres around the management and administration of corporate & private client structures in any of these jurisdictions. Locally, in the UAE, Vistra specialises in the incorporation of onshore entities (free zones) as well as providing ongoing administration services(corporate secretarial , accounting etc). They also specialize in incorporation of regulated (DIFC & ADGM) and unregulated financial and non-financial firms, as well as the provision of compliance officers and MLRO officers where appropriate and required. Furthermore, they also assist in the setup of offshore private client & corporate structures in all the jurisdictions where they have a presence.
