

Veterinary Faculty of Sarajevo http://vfs.unsa.ba/web

## **Bilateral Meetings**

• Thursday 09:30 - 15:30

## **Description**

We are the only Veterinary Faculty in Bosnia and Herzegovina. A regional leader in Veterinary medical and biomedical education and research, promotion of animal and public health, food safety through Halal quality analysis, animal production and welfare etc. We educate internationally recognized, highly qualified Doctors of Veterinary Medicine who actively participate in the most up-to-date scientific and professional research. We have focus on the internationalization of the educational process, mobility of the scientists and students. Our goal is to establish Student Scietific Research Centar who will become internationally recognized leader in the field of the medical: biotechnology, nanotechnology, regenreative medicine, food safety, chemistry, pharmacology, microbiology and ecology field. The vision is that this international and interdisciplinary center promotes excellence in medical scientific research.
