Bilateral Meetings

- Thursday 09:30 - 15:30

Description

BBI Real Estate d.o.o Sarajevo was founded in 2006. Primary company's objective was to develop BBI Center Project, multifunctional building offering spaces for retail, gastronomy, office, storage and underground garages. Later, the company developed several other projects in real estate business. Today, BBI Real Estate is focused primarily on development and realization of retail, office and residential real estate projects in Bosnia and Herzegovina. BBI Real Estate d.o.o. Sarajevo employs 22 skilled employees, out of which several are in charge of BBI Center management only, while others are engaged in other company's projects.
